Join Dzieci Theatre for an immersive afternoon reconciling duality. Employing elements of ensemble theatre, meditation, and ritual, Dzieci creates encounters that challenge and inspire, leading towards a heightening of awareness and deepening of community.

Dzieci has presented their work at Old Dutch Church for a number of years, from *Fools Mass* to *Makbet* to *A Passion*, their performances embrace deep human contact, while inviting the ineffable mystery of grace.

"I think I'll probably spend weeks and weeks reflecting on these experiences, many of which touched me very powerfully and very deeply."
