"Please accept my deepest gratitude. Just for the opportunity to spend 24 hours shedding my long held anxieties, doubts and cynicism was priceless.

You were so generous with your hearts, energy, focus, passion and more."

-Reiko Aylesworth, *Maraton '07*

"Truly one of the most amazing things I've experienced as a person or actress. Today, I found myself feeling unafraid to take risks no matter where I was.

The normal daily fears of people and places occurred, but the filter to which I would adjust my voice and behavior seemed to have gone away.

I only hope others can fully realize themselves as I have."

Judy Mair, *Maraton '07*

Mark Sklawer, *Maraton '07*
